MAJLIS EXPOSED: LIES FACT-CHECKED

Hatred blinds judgment and perspective. The Majlis recently claimed that the Jamiat had invited Hazrat Molana Tariq Jameel, but this is a blatant falsehood. Once again, the Young Majlis has fact-checked and exposed the Majlis for spreading misinformation. Openly lying is a serious matter. We advise the Majlis to reflect, repent, and seek forgiveness (tauba), especially in their advanced age, before facing the inevitable reality of death (maut).

The likes of Tariq Jameel have been adequately described in the Hadith. His tongue is *"sweeter than sugar while he has the heart of a wolf."* Another Hadith describing Tariq Jameel's kind of Iblees, states: *"a devil in human form"*. The NNB (No Name Brand jamiat of Fordsburg), the bogus Jusa, has invited this Agent of Shaitaan and Agent of the Yahoood and Nasaara to South Africa. Reverend Abraham Bham of the NNB jamiat and Tariq Jameel are birds of the same evil feather. They are munaafiqs masquerading as Muslims.

The Young Majlisul Ulama of South Africa calls for a renewed commitment to constructive dialogue, mutual respect, and adherence to the ethical standards of Islam in all forms of discourse. Let us rise above personal animosities and work collectively for the betterment of our community and the propagation of Islam.
