Ustaadh of Yasir Qadhi as Senior Executive of Gazzah

As we are inching closer to the end of times, we find American agents promoting Islamic teachings to become recognized as Islamic scholars whereas by Allah Ta'ala, they are merely just agents of Dajjal.

Yasir Qadhi admitted in a lecture in UK on the 23rd March 2014, ***“Yes it is true I took a course with him (Tony Blair) at the Yale University.”***

The wicked secularist totally distant from Allah Ta'ala also accuses Rasulullah Sallallahu Alaihi wa Sallam of studying secularism. He said Rasulullah Sallallahu Alaihi wa Sallam is “benefitting from the secular knowledge”. The nonsense spewed by this secularist, Yasir Qadhi, is due

to his choice to learn in Yale university under his teacher, Blair. What is ironic is Yale university published an article five years after Qadhi exposed his link with Blair, even now admitting: “There is no Secular World” with the author stating, “there is only God’s world. Thus adds to the Kufr of Yasir Qadhi accusing Rasulullah Sallallahu Alaihi wa Sallam of benefitting from the kufr secular knowledge.

After the damage done by Tony Blair in the Iraq War, today Blair is among names by Trump as confirmed by the BBC as a senior executive of Gaza ‘Board of Peace’
