THE PSYCHOLOGICAL WARFARE

2026 AND THE JAMIATUL ULAMA SA STILL OBSTINATE ON KUFR

The concerned from the Ummah have stated,

“Inna lillahi wa Inna ilayhi Rajioen

The year is 2026 and the tahreef of surah Kaafiroon is still been sold by JUSA jamiat without any rectification/change

COMMENT:

From the onset they were never apologetic about their kufr promotions. In fact just like the Jews, they believe in their lies. Allah Ta'ala has cast over their hearts such a veil, they cannot smell their own bunkum.

Easy question when they are approached is, “why did you have to specifically include the word ‘interfaith’ all of a sudden?”

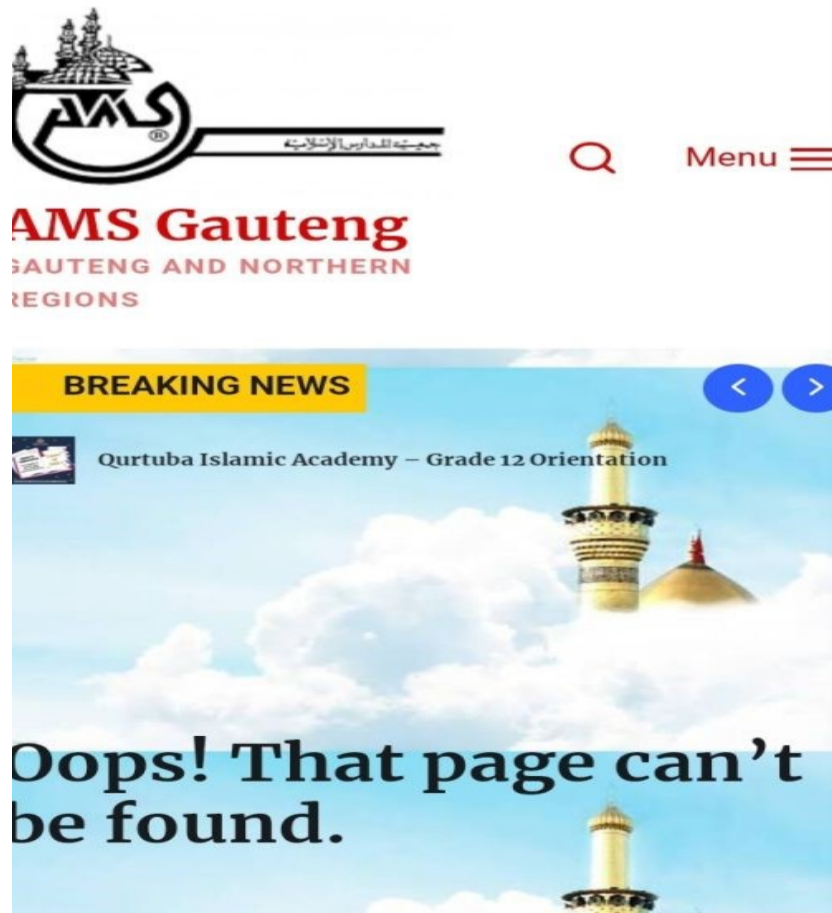

In their Seerah Jalsahs, they invited scholars such as Menk who did not mind breaking fast with Rabbis, who did not mind blessing female students before they went to a church and stood under a cross. Thus even here in South Africa country now, the mess

though, after a short sour stay Menk will be fleeing to another is done.

Did you forget how the daughters of this Ummah were taken to a Church just before taken for the Menk blessing? Perhaps, you forgot how this was removed from the AMS Gauteng website! Yes, under the name of Muslim schools, this was done!

Have a look and cry to Allah Ta'ala, how much further can we go away from His Mercy? They all too good for removing their posts but Alhamdulillah it was preserved.

CRY TEARS OF BLOOD! THE PAGE REMOVED FROM THE WEBSITE BUT NOT REMOVED FROM THE HEARTS!! UNDER A CROSS! MUSLIM SCHOOL GIRLS STOOD IN A CHURCH!

WHY DID THEY REMOVE THIS INTERFAITH BUSINESS FROM THEIR WEBSITE?

nizamiye_mayfair The Grade10 students enrolled in the Religion Studies program recently participated in an interfaith and understanding project, which included visits to various religious institutions such as the Nizamiye Mosque at Midrand and St. Francis Forest Town Methodist Church. our learners were fortunate enough to meet with the honorable Mufti Ismail Menk at Nizamiye Mosque and we would like extend our gratitude to

@turquoisehisa

@nizamiyemosque

@muftimenkofficial

Question:

Now in a Surah like Suratul Kafiroon, which is explicitly speaking against interfaith, these scoundrels have the audacity to claim otherwise? Who changed their Kitaabs? Us or them?

Now in their statement, **Tas-heel Series | A Lesson on the Commentary of Sūrah Kāfirūn**, released on the 29th May 2023, on their website you will find they made audacious claims slandering others to defend their shameless adulterations. They said:

“We therefore find the claim to be disingenuous as it is quickly accompanied by a promotion of other syllabi which are themselves invariably derived from the Tas-heel Series itself. It seems that we live in a time where prosperity is perceived to be hinged on the discrediting of others”

All sane organisations immediately refuted their stupidity which the animals of the Kruger Park still would not find amusing. In fact, Allah Ta'ala speaks against their “STOP ENTERING PEOPLE INTO JAHANNAM” talks to justify their Kufr.

Allah Ta'ala Himself is saying:

“And surely We have created for Hell a lot of people from among Jinn and mankind. They have hearts wherewith they understand not, have eyes wherewith they see not, and have ears wherewith they hear not. They are like cattle. Rather, they are much more misled. They are the heedless.”

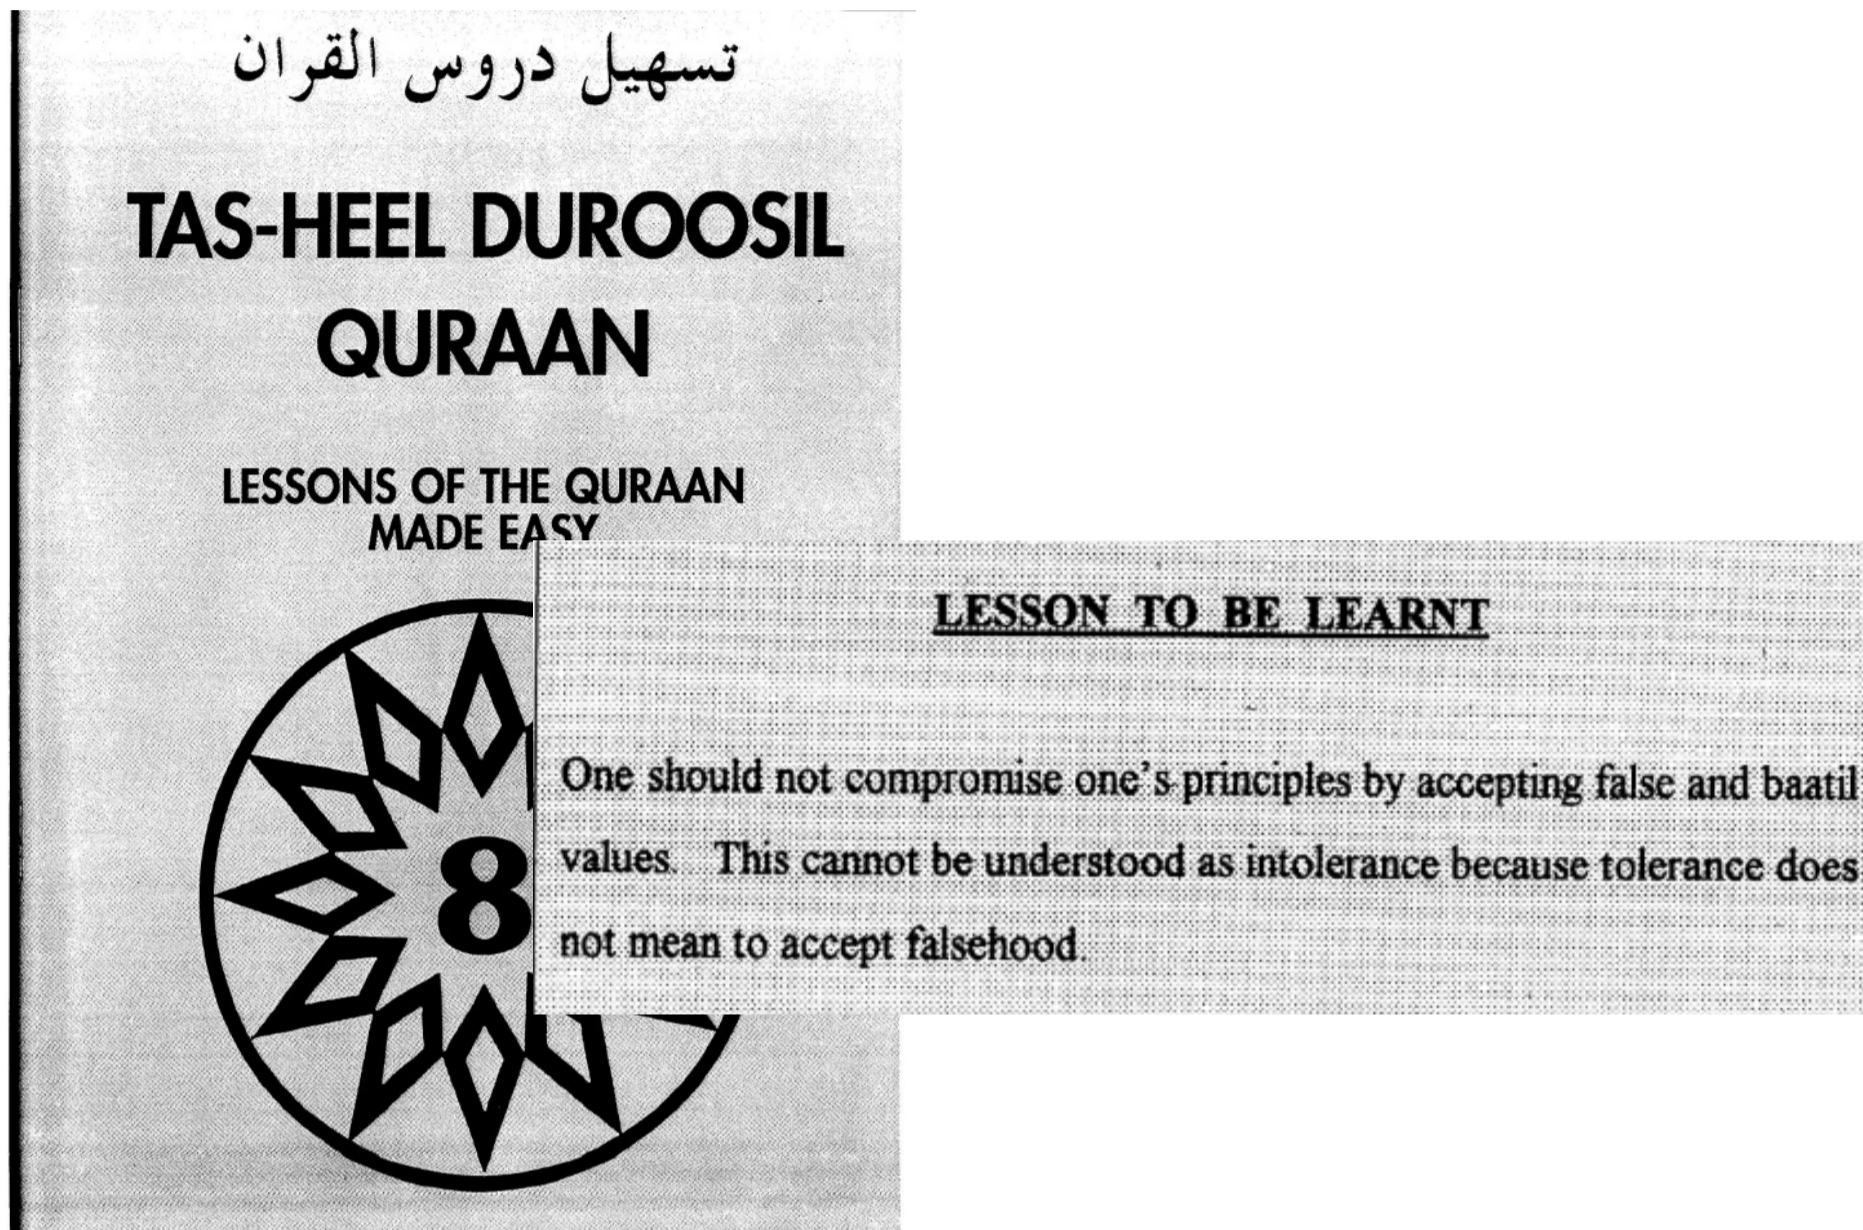

Suratul A'raaf, verse 179

Do not drift from the subject matter. Print this evidence and keep on presenting it to them when they fling the unity cards at you. Ask, why did you change your Kitaab? Nay, why did you make Tahreef (adulterate) the interpretation of the Quraan Shareef? The people of Haqq will never get tired of asking this question just like how we will never get tired of reading in the Quraan Shareef about how the Jews made tahreef.

It is a old ploy, only the miracle of the Quraan Shareef, is the words can never be tampered with but there are Huffaadh who willing to die for every letter in order for it to be protected. In the like manner, there are Ulamaa willing to give their ink and blood to defend the meanings of the Quraan Shareef as well!

ADULTERATION

WHY DID YOU ADJUST YOUR SYLLABUS? HERE IS THE OLD KITAAB?

QUIZ FOR KIDS

DO YOU FIND THE WORD INTERFAITH ABOVE? NOW FLIP BACK TO THE FIRST PAGE, DO YOU FIND THE WORD 'INTERFAITH' THERE?

THEIR CLAIM: *"We therefore find the claim to be disingenuous as it is quickly accompanied by a promotion of other syllabi which are themselves invariably derived from the Tas-heel Series itself. It seems that we live in a time where prosperity is perceived to be hinged on the discrediting of others"*

WHO CHANGED? THEY INCLINED TO KUFR SO ULAMA-E-HAQQ CHANGED THEIR SYLLABUS TO SAVE THE UMMAH FROM THIS KUFR!
