Lesson One – The Destructive Cup of the World

Transgression Spells Destruction

Allah Ta'alaah has warned us many times in the Quraan Shareef about our destruction when transgression takes place. Allah Ta'alaah says:

“And these towns We destroyed when they transgressed and We made an appointed time for their destruction”

Suratul Kahf: Verse 59

Occupying Yourself with The Righteous

Allah Ta'alaah instructs the most perfect and the most Allah-fearing, Rasulullah Sallallahu alaihi wa sallam, to be with those who call to Him Azza wa Jalla morning and evening.

And keep yourself content with those who call their Sustainer morning and evening, seeking His pleasure, and let not your eyes overlook them seeking the splendor of the worldly life.

Suratul Kahf: Verse 28

Abandoning the Heedless

In the same verse as above, Allah Ta'alaah instructs:

And do not obey the one whose heart We have made heedless of Our remembrance, and who has followed his desire and whose behavior has exceeded the limits.

Three Takeaways from Lesson One

1. Abandon the company of the heedless.
2. Adopt the company of the righteous.
3. Do not transgress.

Outcome

If there is no transgression and there is obedience to Allah Ta'alaah then this will avoid destruction and aggression from the tyrants.

World Cup Prevents Each One of the Above

1. World cup matches involves international teams which consist of soccer players. Are these players the friends of Allah Ta'alaah? No. Definitely not! They are the Red Devils who cannot be against the religion of soccer which does not distinguish between lgbtq+. Thus instead of abandoning the company of the heedless, you have become the heedless.
2. Since you spend more time watching and imitating the heedless thereby becoming the heedless, you develop a dislike for the righteous. When the righteous tell you to abandon them and call upon the Mercy of Allah Ta'alaah, you point blankly reject them.
3. Once you yourself have been activated in this world of transgression, then exactly what we do not like follows and that is destruction!

Lesson Two – Double Standards

The dubious world of soccer has countless double standards. The way soccer is remembered for just passing the ball and scoring has actually turned into a religion which many of pious warned of.

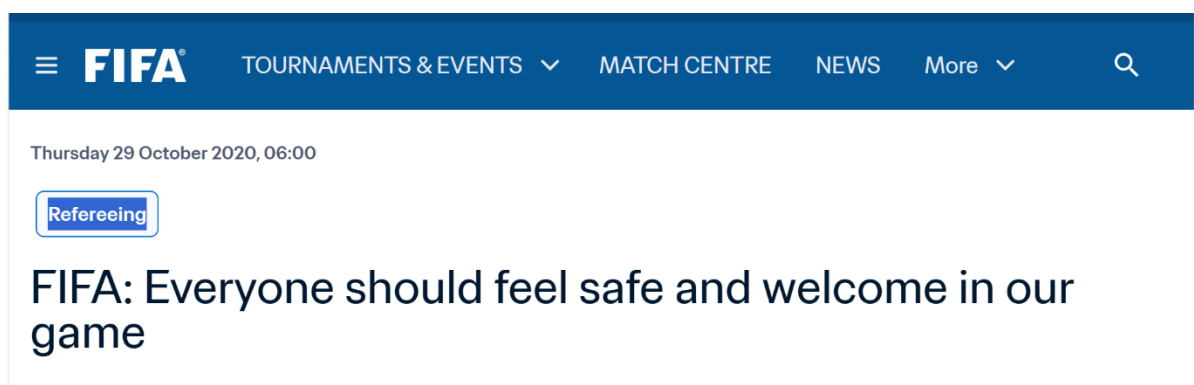

1. The Pride Issue

Soccer involves a lot of pride. Forget brothers, sisters now will such take pride in their teams and to such a low extent that they will not allow the other to touch their items which has their team's logo on it. When asked, what is the reason? They reckon, "She does not support my team".

However we are not referring to that pride nor the pride when one scores a goal nor the pride when their team wins, here speaking of a specific pride, the lgbtq+ pride.

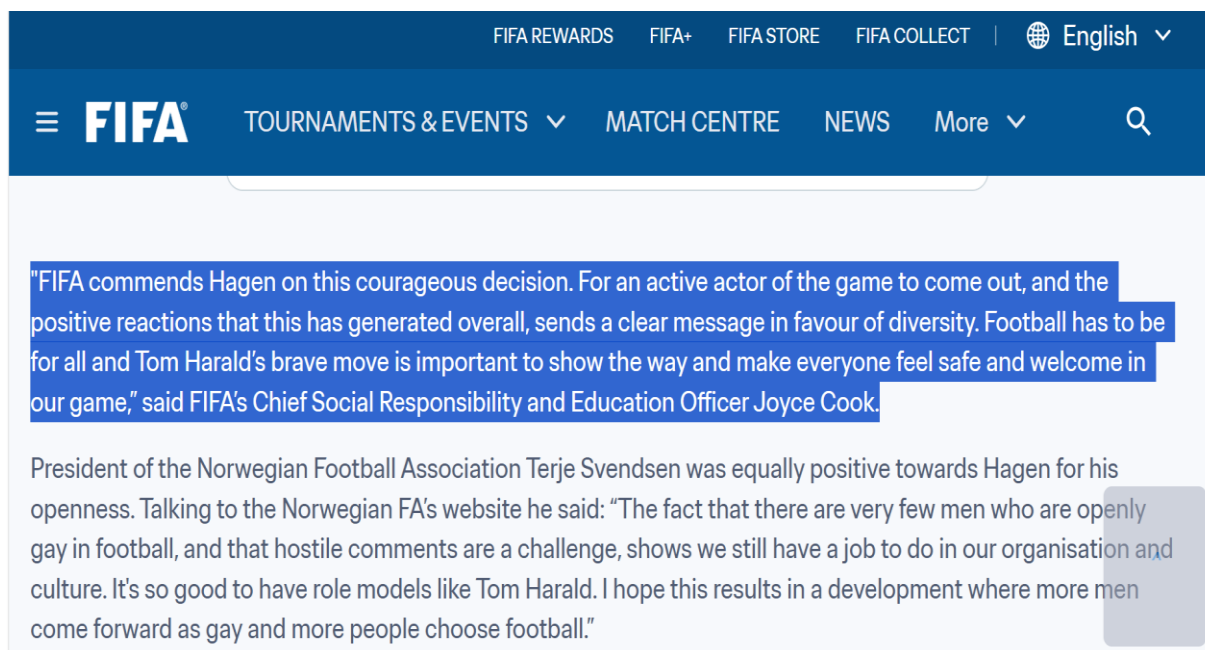

How could anybody support a movement which proudly promotes lgbtq+?

FIFA says on their website, "Everyone Should Feel Safe and Welcome in our Game". Pay special attention to the word, "REFEREEING"

The screenshot shows the top navigation bar of the FIFA website, which is dark blue with white text. It includes the FIFA logo, a menu icon, and links for 'TOURNAMENTS & EVENTS', 'MATCH CENTRE', 'NEWS', and 'More'. A search icon is also present. Below the navigation bar, the date 'Thursday 29 October 2020, 06:00' is displayed. A blue button labeled 'Refereeing' is visible, followed by the headline 'FIFA: Everyone should feel safe and welcome in our game'.

EVERYBODY SHOULD FEEL WELCOME

"FIFA commends Hagen on this courageous decision. For an active actor of the game to come out, and the positive reactions that this has generated overall, sends a clear message in favour of diversity. Football has to be for all and Tom Harald's brave move is important to show the way and make everyone feel safe and welcome in our game," said FIFA's Chief Social Responsibility and Education Officer Joyce Cook.

President of the Norwegian Football Association Terje Svendsen was equally positive towards Hagen for his openness. Talking to the Norwegian FA's website he said: "The fact that there are very few men who are openly gay in football, and that hostile comments are a challenge, shows we still have a job to do in our organisation and culture. It's so good to have role models like Tom Harald. I hope this results in a development where more men come forward as gay and more people choose football."

This article made headlines on the FIFA website, "after Norwegian referee Tom Harald Hagen announced "the time is right" after publicly coming out as gay in a newspaper interview. Hagen is a former FIFA referee, who officiated at international level, particularly in European competitions and FIFA World Cup™ qualifiers, and is currently active in the Norwegian league."¹

overall, sends a clear message in favour of diversity. Football has to be for all and Tom Harald's brave move is important to show the way and make everyone feel safe and welcome in our game," said FIFA's Chief Social Responsibility and Education Officer Joyce Cook.

A Referee Can Be Gay but not Somalian

World Cup 2026 in Canada, Mexico and America saw the real colours of FIFA where a Somalian referee by the name of Omar Artan was denied participation. By the way, soccer lovers will tell you, he is no ordinary referee. He was named Africa's best referee and has been a Fifa referee since 2018. Yet America booted him out.

Do not forget! *'They're all crooks'*, Said Donald Trump².

² [Trump again disparages Somali immigrants: 'They're all crooks'](#)

The White House was condemned but how did FIFA turn a blind eye to this clear-cut racism which caught the attention of many news outlets. Al Jazeera reported³:

3. The Issue of Palestine

Is our love for Palestine selective or true? When it suits our theme for exhibitions and flea marketing publicity stunts then we will raise Palestinian flags and high but let us look at the double standards of FIFA influenced by America.

Once more, we raise our dark black eyebrows at the severe silence of FIFA. The atrocities are displayed in front of their right nostril yet the claim is, ““Everyone Should Feel Safe and Welcome in our Game”. Palestinian soccer chief, Jibril Rajoub denied US visa for 2026 world cup.⁵

After considering and really looking just at these three issues, can any Moulana still say, “Watch but just read your Salaah”?

Well you guessed it! MI Bham not only is involved in discrimination but also is involved in supporting teams who are proud about their “pride”. Teams which seen such coaches who were direct contributors to Israel.

Three Proofs

MI Bham says, “I started supporting Chelsea in the 1970 FA Cup final” which openly means from 1970 upto the year 2023 (the year he proclaimed his support), he was a supporter of Chelsea. Please listen to the evidence via the *awakeoummah* website referenced in the footnote below.⁶

1. **During 2020 (when MI Bham was a Chelsea supporter) Chelsea’s owner gave 74Million Pounds (2 Billion Rands) to displace Palestinians. Was this not sufficient to break away support for the team. Supporting a team means you support the owner who heads the team. Thus boycotting claims are a deception.**⁷

Roman Abramovich, owner of English Premier League football club Chelsea, donated 74 million pounds (\$100m) to an Israeli settler group that displaces Palestinians from occupied East Jerusalem, an investigation by BBC Arabic found.

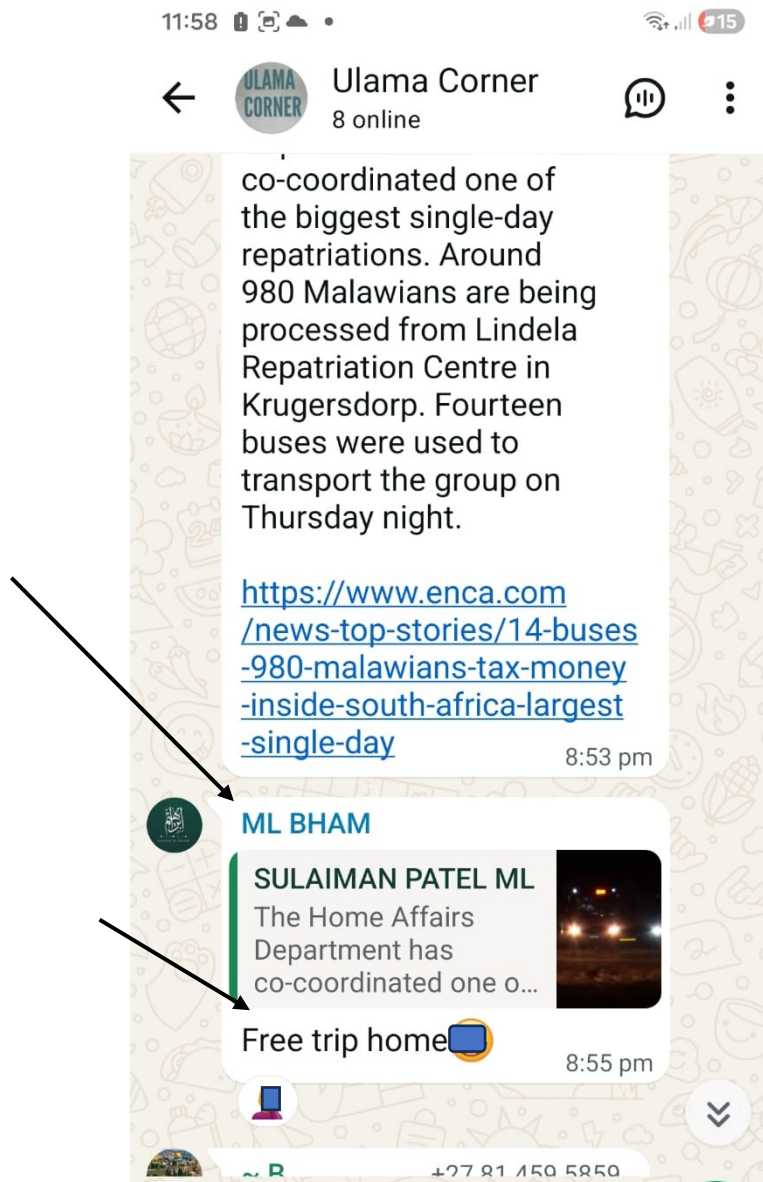

Abramovich, a Russian national, was granted Israeli citizenship in 2018 and has donated generously to Israel.

2. Also Chelsea boasts about their LGBTQ PRIDE till today! They have a special website for this⁸. Know well Chelsea is not the only team. We have just proven to you FIFA's proud statements for a gay referee.

3. MI Bham during this unrest in a group called, “Ulama Corner”, mocked at our Malawian brothers from Africa by putting a laughing emoji saying, “Free Trip Home”.

Is this how low we have become? Laughing with lips saucy from the braai marinade with our Indian kind and then mocking at those in distress?

TikToker Sajid Panchbhayat Shows Off Moments

With Molvi Bham Laughing Out Loud

After witnessing the harms which is really just the tip of the ocean in this religion called Soccer, Molvi Bham offers “guidelines” on their mouthpiece, Radio Shaytaan, regarding the Soccer World Cup but to sound a little orthodox and strict, he says, “*Make sure not to miss your Salaah*”.

This is the satanic style. Go into the dens of Haraam and just do not miss Salaah says the man who abandoned Jumuah in the Masjid for a putrid world cup match in 2010!

We will come to that shortly. First we need to demolish the verse Molvi Bham uses for his fantasies! Did not Allah Ta’alaa warn:

“And do not mix the truth with falsehood and conceal the truth while you know”

Suratul Baqarah, verse 42

Bham Mixes Filth

Allah Ta'alaah proclaims clearly,

“The filth and the pure is not equal, even though you are attracted to the profusion of filth. So fear Allah, O men of understanding, that you may be successful.”

Suratul Maaidah: Verse 100

Bham refers to the wicked world cup, “rightly or wrongly, people within the Muslim community and outside”.

Allah Ta'alaah says, *“And do not mix the truth and falsehood and do not conceal the truth while you know”*

Suratul Baqarah, verse 42

This phrase: “rightly or wrongly” is not a guideline. It is an inclination to his old loving game of football but to avoid the backlash, he plays the mid field position. Not on this side nor on that side.

Allah Ta'alaah says:

“Wavering between (this and) and that, neither here nor there”

Suratun Nisaa: Verse 143

Claimed support for Palestine and called for boycotting Israel but then when Motsepe offered hundreds of thousands of rands then the question is not about boycott. It is about eating and shoving Palestinians one side.

“The photo of the pub that heads this article will not be familiar to the vast majority of readers, and yet what happened in that place at the end of the 19th century affects us all in a special way.

The Freemasons Arms could be a pub like any other in London, except for one very particular detail. It was there, on 26 October 1863, that the 11 most elite clubs and schools in the city met, and where the English Football Association was formed.

Much has been discussed about the origin of football, some historians place it in [China BC](#) and others in the pre-Columbian peoples of South America, but there is no doubt that the origin of modern football can be traced back to that meeting.

The aim of the meeting in the London pub was to set a code of rules to institutionalise the game, however representatives of some of the schools present refused to introduce two rules that we now see as the basis of football and they were:

- The ball would be played exclusively with the foot
- The prohibition of grabbing, tripping or charging the ball holder.

There was no agreement between the two tendencies, and the meeting definitively confirmed the split between the two tendencies. The supporters of playing exclusively with the feet agreed to call the new sport football, and to create the English Football Association.”¹⁰

And we are duty-bound to endeavour to strive towards the Shari'ah" (Ml Bham)

THE BEAUTIFUL DAY OF JUMUAH RUINED IN THE RUINS OF A STADIUM

Friday June 11, 2010 was a calamitous, disastrous day in the history of South African Muslims! Friday June 11, 2010 will forever be recorded as an unmatched, tragic, disastrous and catastrophic day for the sincere Muslims of South Africa! For Friday June 11, 2010 was a Friday when an Aalim purportedly representing South African Muslims abandoned Jumuah Salaah in a Masjid!

Instead of joining the throngs of Musallis making their way towards hundreds of Masaajid to prostrate and kneel in front of Allah تَبَارَكَ وَتَعَالَى in the House of Allah تَبَارَكَ وَتَعَالَى the Aalim wound his way towards the World Cup stadium...joining the throngs of singing, dancing, vuvuzela-blowing, chock-a-block frenzy crowds!

Why was it such a bad day for South African Muslims? Why? The answer is, that without perhaps comprehending the gravity of the event, the reality is that ALLAH MOST HIGH WAS CHALLENGED WITH A HOST OF SINS!

On Friday, 11 June 2010, MI Bham abandoned the Jumuah Salaah in the Masjid. Almost a decade thereafter, on the 22 March 2020, MI Bham would make a disastrous call for the suspension of Salaah in the Masaajid, which resulted in the closure of hundreds of Masaajid.

HOW ALLAH تَبَارَكَ وَتَعَالَى WAS CHALLENGED

By Moulana Yunus Patel رحمه الله

11 June 2010

"Furthermore, giving full support and backing and encouraging the World Cup is going against the directives of Islam and Shariah. This is challenging Allah تبارك وتعالى This is directly or indirectly expressing disapproval of Allah's تَبَارَكَ وَتَعَالَى Laws and Nabi's صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ teachings."

Thereafter Moulana enumerated the following sins which are prevalent in soccer:

- 1) Missing Salaah
- 2) Hero worshipping
- 3) Music
- 4) Zina (Adultery)
- 5) Wastage and corruption
- 6) Alcohol consumption
- 7) Lewd, immoral dressing
- 8) Mixed gatherings

5 HARMS OF SOCCER BY JUKZN

THE SOCCER WORLD CUP

1

International sport is not just a bit of harmless fun

The Soccer World Cup is not only about kicking a ball... **gambling, drinking, nudity, adultery & fornication, music** and many other sins form part of the World Cup. A true Muslim can never be a part of such Haraam nor support this Haraam event.

Imitating the hairstyle, dressing & appearance of soccer players

We are happy to imitate the unIslamic ways and appearance of soccer players who benefit us in no way, be it in their hairstyles, dressing and lifestyles.

Sadly, we feel shy and embarrassed to imitate the lifestyle of our beloved Nabi ﷺ who will intercede for us in the Hereafter.

3. WASTAGE AND EXTRAVAGANCE

Wastage & Extravagance

The sheer scale of global wealth poured into sports is quite staggering. This year's World Cup is the largest and most expensive operational tournament in football history, with spending estimated at \$15 billion to stage the 2026 games across North America.

Consider how many billions of loaves of bread, how many liters of milk and fresh water could have been provided for the millions of people worldwide who live well below the poverty line. Millions more who are currently in dire need of basic medical assistance, food security, reliable electricity, life-saving medication, and other fundamental human needs could so easily have been acquired.

4. SALAAH COMPROMISED

Hinders one from Salaah & the remembrance of Allah

It is a common observance, that many Muslims are totally neglectful of Salaah when it comes to sporting events. **Even those who have some link with the Masaajid, will choose to forego Salaah in Jamaat and even Salaah itself, so as to not miss a moment of the game.** Anything which leads to abandoning Salaah or not praying on time is prohibited.

5. THE EFFECT OF THESE BASELESS COMPETITIONS

The effect of partaking in these competitions

Ibnul-Qayyim Rahimahullah said, **“If one were to monitor these competitions, one would notice that they have the same influence on people as alcohol does and partaking in them in a very limited way leads to partake in them in a bigger and bigger way, so they are addictive by nature. The more people partake in them, the more they are hindered from doing that which Allah & His Messenger love and the closer they are to committing that which Allah & His Messenger hate.”** This statement was made many centuries ago, so what would be said regarding the competitions in our time?

CONCLUSION

Modernists such as Molvi Bham, Yasir Qadhi, Mufti Tosir Miah of Darul Iftaa Birmingham and the likes sing the anthem of Shaytaan. They push Muslims more towards sin even though the global attacks on Islam has become more apparent. The question raised to these so called scholars is, “who do you really represent?”

A more detailed response in shaa Allah will have to be penned but for the moment, we request the Ummah to use their Aqal (intelligence) which Allah Ta’alaa has blessed you with.

وَلَا تَلْبِسُوا الْحَقَّ بِالْبَاطِلِ وَتَكْتُمُوا الْحَقَّ وَأَنْتُمْ تَعْلَمُونَ

And do not mix the truth with falsehood or conceal the truth while you know [it]

Suratul Baqarah: Verse 42

All three scholars have uttered the same words in their recent posts. In short: “participate in world cup just do not miss your Salaah and Deeni obligations.”

Mufti Tosir Miah has even edged to the point where he encourages Muslims to stay up and watch and then practice Qiyaamul Layl.

Allah Ta’alaa instructs in the above mentioned verse:

*And do not mix the truth with falsehood or conceal the truth
while you know [it]*

Allah Ta'ala says do not go close to Zinaa

وَلَا تَقْرَبُوا الزَّانِإِنَّهُ كَانَ فَاحِشَةً وَسَاءَ سَبِيلًا

And do not go close to Zinaa. Indeed, it is ever an immorality and is evil as a way.

Suratul Israa, verse 31

They reckon, “go close.”

Quraan Shareef instructs men to lower their gazes:

قُلْ لِلْمُؤْمِنِينَ يَعْضُوا مِنْ أَبْصَارِهِمْ وَيَحْفَظُوا فُرُوجَهُمْ ذَلِكَ أَزْكَى لَهُمْ إِنَّ اللَّهَ خَبِيرٌ بِمَا يَصْنَعُونَ

O Prophet! Tell the believing men to lower their gaze and guard their chastity. That is purer for them. Surely Allah is All-Aware of what they do.

Suratun Noor, verse 30

The same instruction in a separate verse that follows instructs females to lower their gazes.

وَقُلْ لِلْمُؤْمِنَاتِ يَعْضُنَّ مِنْ أَبْصَارِهِنَّ وَيَحْفَظْنَ فُرُوجَهُنَّ وَلَا يُبْدِينَ زِينَتَهُنَّ إِلَّا مَا ظَهَرَ مِنْهَا

And tell the believing women to lower their gaze and guard their chastity

Suratun Noor, verse 31

Question to these promiscuity promoters:

If you ask these promiscuity promoters why do you promote TV? They will give an answer. If you ask them, “why do you promote watching soccer whereas it is not permissible to look at the thighs of another.”

Did not Rasulallah Sallallah alaihi wa Sallam say:

”عَطِّ فَخِذَكَ فَإِنَّهَا مِنَ الْعَوْرَةِ” .

‘Cover your thigh, for indeed it is ‘Awwrah.’

Tirmidhi 2978

For each of these questions, they will give some cooked up answer to justify the filth they promote.

Today (meaning on the day) South Africa play(ed) Czechia. A female will be running around with her yellow legs turning the desires of the men red. And you say “watch but just read Salaah”. Foolish Indeed!

So what answer do these promoters of evil give when a female referee will be running around for the world cup matches in her shorts. Will they now say, “everytime she passes, you must lower your gaze?”

IT IS A FACT THAT THE REFEREE IS MOSTLY
WHERE THE BALL IS!

This invitation to evil is when the brains are corroded with pus and najaasah.

It is totally Haraam to follow those who go against the Quraan Shareef.

It is totally haraam to watch the world cup or be affiliated to it in any way possible.

Allah Ta'alaah says:

And cooperate in righteousness and piety, but do not cooperate in sin and aggression. And fear Allah; indeed, Allah is severe in penalty.

Suratul Maaidah, verse 2

Solution

The cup of the world has become messy. Messi has messed up your life. You scream for the man who wears a tattoo. Is this your role model? How can any true Aalim ever lead a person into this mess? The man who does not just have a tattoo but a tattoo of an eye!

Yes. He will say it is the eye of his wife. Is this all a coincidence when it is factual that the rules of soccer started in a freemason pub.

Step One: Acknowledgments

1. Acknowledge that football has exposed its true satanism.
2. Acknowledge that it is wasting your time.
3. Acknowledge that this has caused you to idolize Kuffaar soccer stars.
Acknowledge that it drives you to sin.
4. Acknowledge that it has taken you away from the remembrance of Allah Ta'ala causing you to sin.
5. Acknowledge that it has caused you to distance yourself from the immaculate lifestyle of Rasulullah Sallallahu alaihi wa Sallam.
6. Acknowledge that it has caused us to stray away from producing real leaders to lead this Ummah again.
7. Acknowledge that we are only producing captains for the Kuffaar who wrote the rules in a freemasonry pub.
8. Acknowledge the LGBTQ support and promiscuity in this sport.
9. Acknowledge that we have strayed from our true objectives.

Step Two: Remorse & break away from these waste of time activities.

Step Three: Make a firm intention that now you will never return back to this sport which has shown its true colours and you will empower yourself with that which Rasulullah Sallahallahu alaihi wa Sallam said.

Rasulullah Sallallahu alaihi wa Sallam said:

وَأَيْسَ الْاَلْهُوِ اِلَّا فِي ثَلَاثَةٍ تَأْدِيبِ الرَّجُلِ فَرَسَهُ وَمُلَاعَبَتِهِ امْرَأَتَهُ وَرَمِيهِ بِقَوْسِهِ وَنَبْلِهِ

And play is only in three things: A man training his horse, and playing with his wife, and shooting with his bow and arrow.

Sunan Nasai 3578

Training in swimming in ones backyard and training with modern day weapons will also be included in what is permissible for one to do.

Tawbah is the key but for an accepted tawbah we have to break away from the sins we involved in. The bounty of time will only be understood when moments before our last breath.

Allah Ta'alaah guide us all and give us the ability to do that which is most pleasing to Him Ta'alaah.
